

Climate Mayors EV LEASING

Your city has committed to an initiative showing how progressive, eco-friendly cities think and feel. Partner with a company that will help you lead the way with confidence and enhance your image within your communities and around the state!

D&M Government Fleet Services has partnered with the Electrification Coalition, Sourcewell and Climate Mayors to provide the most favorable terms for municipal leasing of electric vehicle fleets.

D&M RETURNS THE LARGEST PERCENTAGE OF THE FEDERAL TAX INCENTIVE TO YOUR CITY.

ONE STOP SHOPPING. WE LISTEN AND CUSTOM TAILOR THE PROGRAM TO YOUR FLEET NEEDS

RELY ON US TO PROVIDE EVERYTHING YOU NEED FOR YOUR ELECTRIC VEHICLE FLEET IN ONE PLACE.

- ACQUISITION AT LOW FLEET PRICES
Chevrolet, Toyota, Chrysler, Ford, Honda, Nissan and more.
- MUNICIPAL LEASING WITH THE MOST FLEXIBLE, FAVORABLE TERMS - 2 to 5 year leases! Low rates/flexible end of lease terms/no money down.
- FLEET MANAGEMENT
Telematics, Maintenance, Insurance, Fleet Reporting for lowest total cost of ownership.

WE DO IT ALL! WHY DEAL WITH MORE THAN ONE COMPANY?

- At D&M, we customize a program around the specific needs of your city. When you lease with D&M, you will get the best terms, management services AND a minimum of 67% of the Federal Tax Incentive passed through to your city.
- We even handle disposal of your current fleet as you cycle to electric vehicles.

For over 40 years, D&M Leasing has been serving the automotive needs of our customers. Today, D&M Leasing has grown to be the largest consumer leasing company in the United States while also serving the needs of commercial and government fleets. D&M is not just a Leasing Company, but also a Financial Services Company with the benefit of an Auto Group. The result is the most unique relationship between sales, supply and funding in the fleet management industry. Our customer approval rating is over 98% and nearly 70% of our business is from repeat and referred clients.
