The only North American-based manufacturer of compact cleaning and maintenance vehicles
EXPROLINK
AT A GLANCE

Place your trust in North America’s sole manufacturer of compact cleaning and maintenance vehicles. Rated #1 awarded vendor within its product category by Sourcewell in 2021!

Our brands are designed to meet all types of outdoor maintenance and cleaning needs. They have proven to be indispensable assets for thousands of private and public sector organizations around the world. We strive to fulfill the ever-changing needs of cities, institutions and businesses by offering a superior line of eco-efficient products.

“Our Madvac/Excelway brands have more than 35 years of existence, with 8000 + units sold worldwide.”
BRAND HISTORY

1987

First mechanical outdoor litter vacuum model 101D

1988

New multiservice vehicle model DV177DC

2002

First 1.5-ton multiservice vehicle model M150M

2003

Dedicated mechanical sweeper based on a dumper model B120RM

2005

First vacuum sweeper multiservice vehicle model B300/400H

2008

New multiservice vehicle model DV 17/17C

2009

First vacuum sweeper multiservice vehicle model B300/400H

2011

New generation multiservice vehicles series M/B 200H

2011

Acquisition by Exprolink of the Madvac product line.

2021

Acquisition by Exprolink of the Excelway product line.

2023

New B200 Tier 4 and new B400 VEV

BRAND HISTORY

1993

Portable litter vacuum model LP61 diesel

2007

Litter vacuum models LN/LR50 replacing model 101D

2007

Compact sweeper model CN100

2008

Litter vacuum models LN/LR50 replacing model 101D

2009

Compact sweeper model LS175 replacing model CN100

2011

Litter vacuum VEV models LN/LR50

2021

Litter vacuum VEV models LN/LR50
LITTER VACUUM CLEANING SOLUTIONS
WITH BOOM

- All-terrain litter vacuum for parks, parking lots, sidewalks, alleys, downtown districts, and more
- Battery pack offers up to 8hr autonomy on a single charge

LN50 VEV

- Identical to LN50, but with closed cabin and 6-position robotic joystick
- Optional 48 inch wide vacuum head for effortless litter pick-up
- Electric version available

LR50

- Your ‘must-have’ portable vacuum for fence lines, roadside litter, shelters, trails, ditches, and other wind-blown trash areas
- Suction hose up to 50 feet long
- Available skid mount or trailer mount

LP61-G

LITTER VACUUM CLEANING SOLUTIONS
WITH BRUSHES

- Only 48 inches wide, specifically designed for sidewalks and pathways, bike lanes, parking lots, alleys and other locations that bigger sweepers can’t manage
- Optional retractable wander hose and pressure washer gun

LS175

- Electric sweeper with 70 kw/h battery pack that offers up to 8hr autonomy
- The only 48-inch-wide machine of this kind built in North America
- 78 inches tall – ideal for parking decks and other height constraint locations
- Litter capacity of 1.25 cu.yd. with 3 stage-filtration process
- Noise reduction of 10 dBs or 10 times less noisy than diesel version
- ROI between 3 to 4 years without grants
- GHG reduction of 30+ tons per year
- Strategic partnership with leading company Zero Motorcycles
- Best “energy per weight and volume” ratio in the industry
- California based know-how and proven technology

LS125 VEV

- All-terrain litter vacuum for parks, parking lots, sidewalks, alleys, downtown districts, and more
- Battery pack offers up to 8hr autonomy

SAVE WITH THE LATEST TECH.
COMPACT SWEEPERS
CLEANING SOLUTIONS

- Compact vacuum sweeper-only machine for bike lanes, streets, parking lots and more
- Optional 3rd brush
- 2WD with optional 4WD and 4-wheel steer

B200-S

- Robust, 4WD rear steer mechanical sweeper designed for challenging debris such as broken glass, sand, rocks, …
- Easy to operate – optional pressure washer gun for additional cleaning

BD202

- Coming in 2023
- Electric, 5.2 cubic yard street sweeper with 9hr autonomy on a single charge
- Optional 3rd brush
- Winter attachments and other multi-use possibilities

B400 VEV

COMPACT MULTI-PURPOSE
MAINTENANCE SOLUTIONS

- Patented iLink technology for quick and easy transition attachments on B200-M and M200 models
- Vehicle automatically recognises the attachment being connected
- Rear attachments only 4 simple anchor points

ATTACHMENTS

- B200-S with iLink system for all-season cleaning and maintenance attachments
- Snowplow, snow broom, salt spreader, and more
- Reduce fleet count or increase cleaning and maintenance possibilities without impacting fleet size

B200-M

- Same machine as B200-M with iLink system but no sweeper brushes / hopper
- Dumper, dry box, washer with telescopic bar / 528 gal. (2000 L) water tank, and more

M200
